A Quality Partnership

In early December, Intra Tourism welcomed 120 top executives from the leading Italian tour operator, the Quality Tourism Group, to Istanbul. The trip was arranged to celebrate their success in generating over 100 million Euros worth of business in 2010. The weekend cemented the successful partnership between the two companies. The Italian guests enjoyed trips to visit many of Istanbul's historic treasures including the Hagia Sophia and Topkapi Palace. They were also introduced to Istanbul's vibrant nightlife. Europa World, one of the group companies, organised the trip and all agreed that it was a perfect Istanbul experience.

Two Years in a Row

At the Annual Skålite Awards held in Istanbul's Çırağan Palace Kempinski in November, CEO of Intra Tours DMC, Ertugrul "Art" Karaoğlu, was

delighted to receive the 'Quality in Tourism' award presented by Skal International's Istanbul Club. Intra was honoured to win this award for the second year running. The award is a fitting tribute to the hard work of everyone at Intra who has maintained such high standards over the past 30 years.

Another Successful Exhibition

Intra Tours DMC exhibited at the Travel Turkey fair held in Izmir from 9th-12 December. There were over 500 exhibitors from 16 different countries and it provided a great opportunity for Intra staff to meet up with old friends and make new contacts.
